

Specialist Diploma in **FOOD ENTREPRENEURSHIP**

From Culinary Arts to Food Entrepreneurship

For almost two decades, At-Sunrice has offered an unparalleled education in the culinary arts. Now it will also become a hub for cross discipline culinary entrepreneurship.

Our rigorous six-month Specialist Diploma in Food Entrepreneurship fosters talent from around the world to test and develop new food-focused business concepts.

Join our students, faculty and mentors from 32 countries to take your startup ideas from 'Dough to Dreams'!
